The Uniformed Fire Officers Association representing 2,600 Lieutenants, Captains, Battalion Chiefs, Deputy Chiefs, Supervising Fire Marshals and Medical Officers of the New York City Fire Department, has endorsed Assemblyman Kevin Byrne for NY State Assembly in the 94th Assembly District.

Assemblyman Byrne has been an active member during his tenure in the NY State Assembly sponsoring or co-sponsoring over 30 bills, ensuring the health and safety of the working people of his district as well as the entire state of NY. He has been a tireless supporter of the Fire Officers of NY City. He has cultivated relationships with many of the active and retired members in his district as well as those living nearby.

Assemblyman Byrne is the ranking member of the Health Committee and he is chair of the Assembly Minority Program Committee. He is currently the youngest member of his conference's leadership team and a member of Government Operations, Insurance, Labor and Transportation Committees.

He is a lifelong resident of the Hudson Valley, a graduate of Carmel High school and University of Scranton. Throughout his career he has continued to support unions and all working people. Assemblyman Byrne learned from his father that labor is the backbone of our economy. His father was a union man and labor advocate who worked with the UWUA Local 1-2.

“The Executive Board of the UFOA unanimously voted to endorse Assemblyman Kevin Byrne. Assemblyman Byrne has spent many years thinking about ways to build a better, brighter future for our great state. He has supported issues that are vital to the Fire Officers and other working people of our state and will continue to be an asset in the NY State Assembly.”
