Dear Assemblyman Kevin Byrne,

It is our pleasure to inform you that the Putnam County Sheriff's PBA has voted to formally endorse your candidacy for re-election to the NYS Assembly. Since first elected in 2016, you have continued to demonstrate a true and sincere effort to listen to and work with members of law enforcement.

As a former first responder, serving as both a firefighter and EMT, you served directly with members of law enforcement on hundreds of calls and understand from personal experience the crucial contribution all of our first responders make, especially our brothers and sisters in blue. Your ties to the community, our members and their families is greatly appreciated and your work has not gone unnoticed.

We have been forced to face many challenges due to the action of the New York State Legislature and its political leaders. You have been there for us every step of the way. Your work opposing the hasty elimination of cash bail and the full repeal of 50-a of the Civil Rights Law has shown us that we need advocates like you, now more than ever.

The Putnam County Sheriff's PBA has your back, and we will be sure to encourage all our members and their loved ones to vote for you this upcoming November.

For God and County,

The P.B.A. Executive Board

Daniel Hunsberger
